

# Curriculum Vitae

## Matthew Hill

Email: matthew48@outlook.com

Phone: 248-115-3322

Experience Level: Mid-Level

## Skills

Building Codes - Contract Law - Project Estimation

Construction Management - Food Safety - Safety Compliance

AutoCAD - Food Safety

## Professional Experience

### Lead DevOps Engineer

We need a full-stack developer to build a responsive web application from scratch. The project includes frontend with React, backend with Node.js, and MongoDB database. Experience with REST APIs and cloud deployment required.

## Professional Summary

I specialize in market entry strategies and have helped 15+ companies successfully expand into new geographic markets.
