

Curriculum Vitae

John Jones

Email: john.jones@hotmail.com

Phone: 542-607-3349

Experience Level: Junior

Skills

API Design - API Integration - SQLite

SQL - MySQL

Professional Experience

Junior AWS Engineer

We need a full-stack developer to build a responsive web application from scratch. The project includes frontend with React, backend with Node.js, and MongoDB database. Experience with REST APIs and cloud deployment required.

Professional Summary

This opportunity represents the next logical step in my career progression, and I'm eager to bring my growing expertise to your organization.
