## Skills

CAD/CAM - Food Safety - Safety Compliance

Site Reliability Engineering - Food Safety - Industrial Engineering

Lean Manufacturing - Six Sigma - Production Planning

## Professional Experience

### Principal Customer Success Manager

We need an industrial designer to create consumer electronics products with focus on user experience and manufacturability. Experience with 3D printing and prototyping essential.

## Professional Summary

This project aligns perfectly with both my skills and personal interests. I've been looking for exactly this type of challenge to apply my expertise.
