

# Curriculum Vitae

## Elizabeth Torres

Email: etorres@yahoo.com

Phone: 692-227-9902

Experience Level: Principal

## Skills

Construction Management - Contract Law - Project Estimation

Building Codes - AutoCAD

## Professional Experience

### Lead Influencer Marketing Manager

We need a full-stack developer to build a responsive web application from scratch. The project includes frontend with React, backend with Node.js, and MongoDB database. Experience with REST APIs and cloud deployment required.

## Professional Summary

I develop comprehensive marketing strategies that align sales and marketing efforts, typically increasing marketing-sourced revenue by 50%.
