Phone: 519-525-7416

Experience Level: Mid-Level

Skills

Project Estimation - Architectural Design - Intellectual Property

Contract Management - Property Management

Professional Experience

Mid-Level Business Intelligence Analyst

Seeking a project manager to oversee the development of our new product launch. Experience with Agile methodology, JIRA, and cross-functional team coordination required.

Professional Summary

As a blockchain developer with 3 years of Solidity experience, I can build secure smart contracts for your Ethereum project. I'm familiar with the gas optimization techniques you'll need.
