Phone: 659-921-6910

Experience Level: Senior

Skills

Telecommunications Systems - Network Security - Fiber Optics

Wireless Technologies - Network Administration - Public Administration

Network Security - Satellite Communications

Professional Experience

Senior Docker Specialist

We need a full-stack developer to build a responsive web application from scratch. The project includes frontend with React, backend with Node.js, and MongoDB database. Experience with REST APIs and cloud deployment required.

Professional Summary

I appreciate your detailed project description and believe my approach to problem-solving matches what you're looking for in a candidate.
