AutoCAD - Safety Compliance - Contract Law
Contract Management - Smart Contracts - Construction Management
Revit

Professional Experience

Senior Property Manager

We need a full-stack developer to build a responsive web application from scratch. The project includes frontend with React, backend with Node.js, and MongoDB database. Experience with REST APIs and cloud deployment required.

Professional Summary

As a UI/UX designer with a psychology background, I focus on creating intuitive user experiences. Your project goals align with my human-centered design approach.
